Perma-Chink Systems, along with **Hess Log Home Supplies** in Petersburg PA, is pleased to announce an informative, hands-on workshop for homeowners & contractors interested in applying high quality products to their log homes. Perma-Chink manufactures a family of environmentally conscious sealants, stains and preservatives that set the industry standards for log and wood homes.

Due to limited seating, reservations will be required.

Please call Hess office at 800-257-4864 or email: info@hessloghomesupplies.com

Seminar highlights will include:

Guest Speakers from Perma-Chink Systems:

Tony Huddleston – Senior VP, East Region Operations Manager
Sean Gahan – Senior Chemist

- ❖ Introduction of new products, including LifeLine Accent & Woodsman
- ❖ Demonstration of the Blaster Buddy finish removal system
- ❖ Proper application of log home preservatives, Lifeline stains, Perma Chink & Energy Seal sealants
- ❖ Tools of the trade
- ❖ How to clean, power wash and strip walls and decks
- ❖ Annual inspection & maintenance tips for your log home
- ❖ In-depth & hands-on training information on all Perma-Chink Systems products
- ❖ Choosing stains and finishes for your home
- ❖ Door prize drawing

There is no cost for this valuable seminar, just a small investment of your time, to learn how to care for your dream home. Please feel free to bring your log samples for blasting, staining, technical advice and/or other product demonstrations to help you decide the best product to use on your project.

Thank you for choosing **Perma-Chink Systems, Inc.**,
